

LYNQER APP PRIVACY POLICY - **versie Apple store**

version 5/04/2018

At LYNQER (“we” or “us” or “our”) deeply respects the privacy of our users (“user” or “you”). This Privacy Policy explains how we collect, use, disclose, and safeguard your information when you visit our mobile application (the “Application”). Please read this Privacy Policy carefully. If you do not agree with the terms in our privacy policy, please do not access the Application.

We reserve the right to make changes to this Privacy Policy at any time and for any reason. We will alert you about any changes by updating the “Last updated” date of this Privacy Policy. You are encouraged to periodically review this Privacy Policy to stay informed of updates. You will be deemed to have been made aware of, will be subject to, and will be deemed to have accepted the changes in any revised Privacy Policy by your continued use of the Application after the date such revised Privacy Policy is posted. The latest version of our Privacy Policy can be read at our lynqer.com website.

This Privacy Policy does not apply to the third-party online/mobile store (Apple App store) from which you install the Application. We are not responsible for any of the data collected by any such third party.

FUNCTIONALITY OF OUR APPLICATION

Our Application reads the content (f.i. URL’s) by scanning NFC tags written (programmed) and distributed by third-parties. To perform this scanning operations our Application uses the Core NFC software and radio hardware module. Our Application shows content made and managed by these third-parties. Our Application lets user share the content via iOS apps or other social media apps. Our Application lets users save the content.

BEYOND OUR RESPONSIBILITY

Our Application is designed to read content stored on tags written by third-parties. We are not responsible for this content. Nor are we responsible for the consequences of scanning these tags and opening this content on your device. Our Application is also designed to direct you to third-parties content and external platforms. Once you have left our Application this Privacy Policy does not apply any more and our responsibility ends.

TYPES OF INFORMATION

Personal Data

Users can only use our Application after downloading from the Apple App store. No subscription is required. Users can use our Application without providing us any personal data. Thus our Application does not collect demographic and other personally identifiable information (such as your name and email address).

Information from iOS and other apps

Our Application does not collect data (account and general) from or saved by your iOS operating system or any other app installed on your device.

Time- & date stamp

When scanning our Application stores the time and date of scanning. This information is stored on your device within our Application. It is not stored on our/an external database and cannot be accessed by us, nor can it be retrieved by your iOS operating system or any other app. We do not sell to or share this information with third-parties.

Application usage

We do not keep track of how often or how long you use our application. Nor do we retrieve your device type and operating system version.

Using the share feature

Content shared via our Application is stored

a. on your device within our Application. It is not stored on our/an external database and cannot be accessed by us, nor can it be retrieved by your iOS operating system or any other app. We do not sell to or share this information with third-parties.

b. within the app (iOS or used social media platforms) that is used to share the content. The privacy of your information within these apps is beyond our span of control.

When using our share feature we will add a LYNQER promotional text.

Using the save feature

Content saved via our Application is stored on your device within our Application. It is not stored on our/an external database and cannot be accessed by us, nor can it be retrieved by your iOS operating system or any other app. We do not sell to or share this information with third-parties. Content deleted by users will be permanently deleted. We will not gain access to a copy.

Commercials relationships

We don't have any advertorial relationships with third-parties. Our Application does not show advertisers content.

Push notifications

Our Application does not have a feature build in to send you push notifications.

Deleting our Application

On deleting our Application from your device all content stored locally will be permanently deleted as well. We will not gain access to a copy.

SECURITY OF INFORMATION

We did our best to make our Application as safe and bug-free as possible. While we have taken reasonable steps to secure the information stored within our Application, please be aware that despite our efforts, no security measures are perfect or impenetrable, and no method of data transmission can be guaranteed against any interception or other type of misuse. Any information disclosed online is vulnerable to interception and misuse by

unauthorized parties. Therefore, we cannot guarantee complete security. We constantly update our Application with new features and to get rid of unexpectedly bugs.

CONTACT US

We did our best to make our Application and this Privacy Policy as easy and understandable as possible to use. If, despite this, there are any questions please reach out to us.
